About LCCI-SPM Double Certification

LCCI International Qualifications collaborates with the Ministry of Education Malaysia to provide double certification for SPM Principles of Accounting. In addition to the SPM Certificate, eligible students may apply for the LCCI Level 2 Certificate in Bookkeeping and Accounts. Eligibility for the SPM double certification is indicated on your SPM result slip and your application should be submitted by 31st October in the year that your results are released.

New late application procedures

We are pleased to announce that from December 2012, those who missed the 31st October closing date may still obtain the certificate at a special discounted rate of RM 97.00* + postage & admin fee + Goods & Service Tax (0%) = RM109.50**. This is considerably lower than the stand alone Pearson LCCI exam fee of RM210.00* for the Level 2 Bookkeeping and Accounting.

This late application could be backdated to a maximum of 6 years only. This means that if you sat for your SPM in 2012 you should have applied for the LCCI-SPM double certificate, at a cost of RM 25.00, by 31st October 2013. However, if you missed the closing date, you may now apply as a late applicant before 31st October 2018 by producing the relevant supporting documents and the late application fees*.

***The fees may vary from year to year.**

****As of April 2018 onwards.**
